

Christine Claudet

Designer - Illustrator

PROFILE

Skilled designer and whimsical illustrator open to projects and a position that will excite and challenge my creative skills in illustration and product design

EXPERIENCE

Trend Designer, Product Designer

Michaels Arts and Crafts Stores / March 2013 - Present

- Translating conceptual inspiration into product, pattern, icons, typography and reports to support core business, brand development, and future trends
- Instrumental in development of kids category trend related art and concepts. Through my efforts, the relevance and use of deliverables for trend have increased
- Helped develop "the Ploom" pom pom maker

Senior Designer, Hosiery

Bioworld Merchandising / Sept 2010-March 2013

- Started the embellished sock trend (ie: Superman cape sock)
- start and manage new product department to become a profitable 250K company category in less than 2 years

Graphic Designer/Designer Paper Specialist

Ampad / November 2009–Sept 2010

- Concept and produce original artwork to be used on company designer paper products including: seasonal/special occasion invitation papers, stationery, notepads, folders, and journals
- Trend and color research relevant to future product development

Graphic Designer

KidKraft / March 2006 - June 2009

- Illustrated all art used on Annabelle Dollhouse; one of Kidkraft's bestsellers
- Layout, design, copy editing, proofing, and output of product materials
- Assembly and tech review of sample products as well as mock ups of foam core prototypes
